the pay scales including Non Practicing Allowances of Central Health Service Officers have been increased significantly. Besides, the rates of allowances tike Conveyance Allowance, Research Pursuit Allowance, Post Graduate Allowance have also been revised in respect of different categories of doctors as applicable.

Dental Council of India

2123. SHRI V. HANUMANTHA RAO: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) the role of the Dental Council of India in the matter of dental education;

(b) the names of the present Chairman and other members;

(c) to what extent, the Dental Council of India has maintained and enhanced good standards for dental education in the country;

(d) whether adequate buildings and teaching staff are being demanded by the DCI for all colleges; and

(e) the steps proposed by Government to ensure that high standards are maintained by the Dental Council of India?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRIMATI PANABAKA LAKSHMI): (a) As per the Dentists Act, 1948 (16 of 1948), the Dental Council of India has been constituted to regulate the profession of Dentistry.

(b) A list indicating the names of the President and other members of the Dental Council of India is given the Statement *(See* below;.

(c) to (e) Regulations providing norms for infrastructural, faculty and other facilities for estabiishmeht of new Dental College and starting of higher courses have been notified by DCI with the approval of the Government of India. The Council assesses the availability of these requirements before making its recommendations to the Government on any scheme for opening of Dental Colleges, increase in intake capacity and for starting higher courses of study for grant of permission by Central Government. The Council also conducts periodical inspections of recognised dental colleges to ensure that the standards laid down in the Regulations are maintained by them.

Medical colleges in India

2124. PROF. MM. AGARWAL: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) the details of recognised medical colleges in the country as on 30th June 2005, State-wise;

(b) the details of Government medical colleges in the country, State-wise; and

(c) the steps taken or proposed to be taken by Government to open new medical colleges in different parts of the country in both private and Government Sectors?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRIMATI PANABAKA LAKSHMI) : (a) and (b) Information is given in the Statement-I and II respectively (See below)

(c) It is for the State Government concerned to decide whether they need a medical college or not. The Central Government is giving permission for opening of new medical college based on the Essentiality Certificate given by the respective State Government and availability of infrastructural and other facilities as per the norms of Medical Council of India Regulations. Central Govt., based on socio economic factors availability of medical colleges is in the process of establishing AIIMS like institution in six underserved State, under Prime Minister Swasthya Seva Yojna.
